1.6 Definitions

End of Availability is the point that the product is phased out by Synectics.

Last Time Buy (LTB) is the point at which the last order for the product can be made.

General Support means that the product will continue to be updated and maintained by Synectics where necessary, and support will remain available. Spares will remain available where stock permits, and reference information about the product will remain available on the Synectics Global Support Portal.

Extended Support means that the product will continue to be supported if Synectics have contractually agreed to do so. The product will no longer be updated and maintained unless necessary.

End of Life means that we will no longer be able to provide support or spares for the product. Should you require a replacement product, your Synectics sales representative will be happy to assist.

1.7 Supply after End of Availability

If you are supplied this product after the End of Availability date, the notification dates will continue to apply as per this document.

If the product is supplied to you as new, and not as a like-for-like replacement, your warranty period will not be affected by the notification dates listed.

1.8 Response
